

1 RESTRUCTURING

Place employees face down into an at-work and a beach pile. When all players are ready, create company structure with employees at work.

2 ORDER OF OPERATIONS

Most open slots chooses first. Tiebreaker: previous turn order. EXP: Movie Stars

3 WORKING 9:00-5:00

In player order, each player does all of the following steps:

1. Recruit employees.
2. Train employees.
3. Initiate marketing campaigns.
4. Get food & drinks.
5. Place new houses and gardens.
6. Place or move restaurants.

EXP: Night Shift Manager

4 DINNERTIME

Determine prices: standard Unit Price \$10; include effects of any pricing, discount, and/or luxury managers and the pricing milestone.

In order of house number:

1. Eat at restaurant offering all items on house. Multiple choices: go to restaurant with lowest result of Unit Price + Distance. Tiebreaker: most waitresses; if that is also equal: turn order.
2. Restaurant earns \$ Unit Price + Bonus for each item sold. Bonus is +\$5 for hamburger, pizza, or drinks milestone. A house with garden yields (2 x \$ Unit Price) + Bonus. Discard sold items from house and stock.

If no restaurant can deliver the complete demand, the items stay on the house. Pay waitresses at end of phase. EXP: Kimchi, Sushi, Noodles, Ketchup, Lobbyists

5 PAYDAY

Pay salaries: \$5 per card with . Reductions may apply

6 MARKETING CAMPAIGN

Resolve campaigns in order of printed numbers. At most 3 demand tokens on house (5 with garden). EXP: Mass Marketing

7 CLEANUP

1. Discard unsold food and drinks. Activate new restaurants.
2. Return empty marketing campaigns.
3. Take all employee cards back into your hand (including marketeers with no active marketing campaign).
4. Take remaining milestone cards that have been awarded this turn out of play. EXP: Kimchi, Lobbyists, Coffee
